ABOUT THE CONFERENCE

Multiculturalism is important because it dilutes & dissipates the divisiveness of ignorance. It encourages dialogue, often between radically different cultures that have radically different perspectives. Multiculturalism is an antidote for ignorance. Multiculturalism that promotes maintaining the distinctiveness of multiple cultures is often contrasted to other settlement policies such as social integration, cultural assimilation & racial segregation. Multicultural education is an approach to teaching & learning that is based on democratic values that affirm cultural pluralism within culturally diverse societies in an interdependent world.

ABOUT M.C.E. SOCIETY

Maharashtra Cosmopolitan Education Society (MCES), was established in the year 1948 by Late Mr. Abdul Kadir Khan with an objective of providing education to the economically, educationally and socially weaker sections of the society. It is registered under the Society's Registration Act of 1860 and also under the Bombay Public Trust Act 1950. The M.C.E. Society is one of the oldest educational organizations of Pune & has done pioneering work in the field of education. Located in the eastern part of the city on a once dry and desolate vast piece of land, today it is a fascinating beehive of activities, the dreariness having given place to eye catching greenery and multiple activities. Where once stood a stone structure today stand many elegant modern buildings in a beautifully landscaped educational heaven of learning where one can seek and pursue education from KG to PG.

ABOUT THE COLLEGE

With the Motto "Educate to integrate, innovate and liberate." H.G.M. Azam College of Education is an integral part of this picturesque Azam Campus. The B.Ed. college was established in the year 1993 approved by NCTE Bhopal and affiliated to the University of Pune. The college started the M.Ed. course in 2007 and in 2011, the college added the 4 years integrated B.A. B.Ed. programme. In 2012 the college added another feather to its cap by starting the M.Phil. course and in 2015 the college has been recognized as a Ph.D. Research Centre in Education.
